## Many Taxpayers Paying by Mail, Cannon Reports

County Treasurer Maynard Cannon reports that over 40 per cent of the taxes collected to date have been received by mail. Many taxpayers are taking advantage of this easy way to pay their taxes, thereby avoiding any delay in his office before being able to be waited on.

He states that this high percentage of collection by mail has helped his office handle collections more efficiently, thereby causing less inconvenience to the taxpayers.

He is urging everyone who possibly can to forward their taxes by mail. The receipted statement will be promptly returned upon receipt of their taxes. He also wishes to remind all taxpayers to bring their tax notice when paying taxes, thus causing less delay and expense.

## Castle Files Suit Against 49 Truckers For Unpaid '52 Fees

SPRINGFIELD — Atty. Gen. Latham Castle today brought suit in Sangamon County Circuit Court against 49 truck operators for almost \$34,000 in unpaid 1952 license fees.

The fees are outstanding after payment was deferred pending a court challenge of the 1951 law increasing the truck license fees. Castle said more than nine million dollars in delinquent fees has been collected and some four million dollars in fees still are outstanding.

Next week's program will be in charge of P. B. Montgomery.

## Avah Phillips Tells Rotary of Scholarship Test

Miss Avah Phillips, who won a certificate of merit in a national scholarship program, was the speaker at the Rotary meeting Monday.

Miss Phillips was introduced by Harker Miles, program chairman, and spoke on the recent test in which she won a certificate of merit. More than 4,000 certificates were awarded to students from every state in the nation, representing the top one-half of one per cent in ability of all high school seniors. These scholarships were made possible by the National Merit Scholarship Corporation.

Her program is the largest of its kind in American history. In addition to this award, Miss Phillips has won honors in another national test, finishing 21st in the nation and winning a \$200 scholarship.

Miss Phillips is the daughter of Mr. and Mrs. Brose Phillips and is a member of the graduation class at the Harrisburg Township high school.

Guests at the Rotary meeting included Thomas Murphy, El Dorado, Walter Baker, Colorado Springs, Colo., and Philip Pankey, son and guest of his father, Lowden Pankey.

Tom Davenport was welcomed into the club as a new member, making the 30th number of the club.

Brose Phillips, principal at the Davenport high school, introduced the program. He said that the program is the largest of its kind in American history. In addition to this award, Miss Phillips has won honors in another national test, finishing 21st in the nation and winning a \$200 scholarship.

Next week's program will be in charge of P. B. Montgomery.

## Speed Plans to Put New Farm Bill Into Effect

WASHINGTON — Secretary of Agriculture Ezra T. Benson conferred with President Eisenhower today on plans to put the new farm bill into operation as quickly as possible.

Benson said an early morning call on Mr. Eisenhower who signed the "second choice" farm bill Monday to end a four-month election-year fight with the Democratic-controlled Congress. Benson reiterated his belief that the measure was considerably less than what the administration wanted but he pledged that his department will go ahead rapidly to put the new bill with its \$1,200,000,000 soil bank into effect.

Benson said the soil bank provisions would have little effect on spring-planted crops because the bill was delayed in passage. But he thought a much wider application of the acreage reduction scheme would be possible for fall-seeded crops.

Sees Less Criticism

Benson said it is conceivable that certain spring-planted crops might be plowed under but this was a detail to be determined later by the farmers and the department.

Asked whether he thought the bill would still farm belt criticism of administration agricultural policy, Benson said there is "less criticism" of the agricultural policies of the administration now than at any time since Mr. Eisenhower took office.

"I think every move the administration has made in the agricultural field has been sound," Benson said.

In signing the bill, Mr. Eisenhower called it "rich with promise," but said he was "disappointed" that the bill does not permit soil bank payments one year in advance.

The soil bank—core of the bill—authorizes the government to pay farmers up to \$1.2 billion a year for taking surplus crops out of production. This is the first time the government has paid farmers on such a scale for not growing crops since the early days of the New Deal.

The bill also includes a mandatory increase in feed grain price supports, a discretionary two-price plan for rice, and a boost in corn planting allotments from 42 million to 51 million acres. The big rigid price support provisions that caused the President to veto the first farm bill earlier this year were cut from the bill.

## Dies in Automobile

## Senators of Both Parties Praise Nomination of Seaton to Cabinet Post

WASHINGTON — President Eisenhower's nomination of Fred A. Seaton to be secretary of interior won enthusiastic praise today from senators of both parties. Senate confirmation seemed certain.

Chairman James E. Murray (D-Mont.) of the Senate Interior Committee, which must approve the nomination, said the nomination was "pleasant news." Murray said Seaton is a "fine gentleman. He'll carry out the policies of the administration, but I'm sure he will give us a full and fair hearing on any problems that arise."

Sen. Wayne Morse (D-Ore.), a frequent critic of past Interior Department policies, said Seaton was "an excellent appointment and one which has my enthusiastic endorsement."

Mr. Eisenhower named Seaton to the cabinet post Monday to succeed Douglas McKay. McKay re-

## Stratton Aide to Attend Opening Of Bridge Friday

Ed Pree, administrative assistant to Gov. William H. Stratton, will represent the governor at the opening of the Earle C. Clements bridge at Shawneetown Friday. Paul Smith of Ridgway, in charge of the Gallatin county arrangements, said today.

There will be a ribbon cutting on the bridge at 2 p. m., he stated. The lieutenant governor of Kentucky is slated to be there.

The Shawneetown high school band will be present to play. After a ribbon cutting ceremony, the bridge will be open free to the public until 6 p. m., Smith stated.

The formal bridge dedication, at which Gov. Stratton and dignitaries from Kentucky will be present, is expected around July 4.

## Presbyterians Approve Merger

PHILADELPHIA — Delegates to the 168th General Assembly of the Presbyterian Church in the U.S.A. predicted today it would take only another year to complete the merger of their church with the United Presbyterian Church of North America.

The proposed merger, approved Monday by the General Assembly, now must be accepted by the individual presbyteries of both churches and the General Assembly of the United Presbyterian Church of North America when it meets next month at Knoxville, Tenn.

The new combined church will be known as the United Presbyterian Church in the U.S.A. and will have nearly 3 1/4 million members.

The Presbyterian Church in the U.S.A. currently is the largest body of its denomination in the country, with some 8,300 congregations and nearly 3 million members. The United Presbyterian Church of North America has about 300,000 members in 840 congregations.

The meeting had been called by Democrats, Whigs and Free Soilers to protest the extension of slavery to Kansas and Nebraska. Delegates founded a new Illinois party they first called the "Anti-Nebraska Party."

It was at this convention that Lincoln delivered his "Lost Speech." He gave an address described as so powerful that reporters dropped their pencils and failed to take notes on it.

## Grants Motion Of McCormick To Dismiss Case

Circuit Judge Caswell Crebs of Robinson threw out Dale Sullivan's election contest today from the bench in Gallatin county circuit court.

The action came on granting of a supplementary motion by attorneys of C. L. McCormick of Vienna to dismiss the case.

Time was the angle involved. The supplementary motion asked dismissal on the grounds that notice of the contest was filed too late with the state electoral board at Springfield. That was the motion that Judge Crebs granted.

Sullivan, local business man, said after the decision that it apparently closes the case.

"While I am terribly disappointed at the decision, I feel there is nothing else to do," Sullivan said. "The circuit court has final jurisdiction in the matter."

Sullivan stated that the judge admitted his grounds for a contest were good but that he was throwing out the contest because the police was filed too late in Springfield.

Sullivan said the notice was filed 10 hours and 20 minutes too late. It was filed at 10:20 a. m. May 15 when apparently midnight May 14 was the last time to file the notice.

Sullivan was beaten out for the second spot on the Republican ticket in the April 10 Republican primary by C. L. McCormick of Vienna by 139 1/2 votes according to the official canvass of the eighth county total in the 58th Representative district. Incumbent Gordon Kerr led the ticket.

Sullivan was represented by Attorneys William Wolf of Murphysboro, L. M. Hancock, Ralph W. Choisser and Joe Butler of Harrisburg and James G. Gullett of Elizabethtown. McCormick was represented by Attorneys Scerial Thompson of Harrisburg and Ralph Harris and Charles Winters of Marion. Atty. Joe Bartley of Shawneetown represented Kerr in the case, filing an answer for him. All candidates in the April primary were defendants.

Circuit Judge Caswell Crebs of Robinson today was hearing arguments on a motion to dismiss Dale Sullivan's representative election contest.

Sullivan is contesting the results of the GOP race in the 58th district, centering his contest on C. L. McCormick of Vienna, who beat him out according to the canvassed results.

Judge Crebs first heard a supplementary motion to dismiss based on contentions that Sullivan, from Harrisburg, failed to file his notice of contest with the state electoral board and with the county canvassing boards within specified time. Atty. Charles Winters of Marion argued this contention. He also said that McCormick received his certificate of nomination from the secretary of state's office immediately after the time limit was up.

William Wolf of Murphysboro, an attorney for Sullivan, said he believed the only mandatory time provision regarding filing was the filing of the petition of contest with the circuit court within five days after the state canvassing board had finished.

Judge Crebs reserved judgment on the supplementary motion and immediately the attorneys went in to the general motion to dismiss.

The convention was expected to name Gov. William G. Stratton, U. S. Sen. Everett M. Dirksen, and other Illinois party leaders as delegates-at-large to the national convention.

Exactly 160 years ago today, the first Republican state convention was held here. It was sparked by the cry of a central Illinois lawyer who was little known then, Abraham Lincoln.

The meeting had been called by Democrats, Whigs and Free Soilers to protest the extension of slavery to Kansas and Nebraska. Delegates founded a new Illinois party they first called the "Anti-Nebraska Party."

It was at this convention that Lincoln delivered his "Lost Speech." He gave an address described as so powerful that reporters dropped their pencils and failed to take notes on it.

## Actress Mary Pickford Narrowly Misses Death

HOLLYWOOD — Actress Mary Pickford, America's sweetheart in the days of silent films, felled today, she narrowly escaped death when a bullet from an accidentally discharged pistol grazed her forehead.

Miss Pickford said the incident occurred Saturday night when she and her husband, Buddy Rogers, were accompanied to their fashionable home by Capt. Horace Brown and his wife, Marion Davies, after attending the formal opening of a new decorator shop.

The actress said Brown slipped as he was showing the pistol to Rogers and the weapon accidentally discharged in the driveway outside her home. Brown reportedly was carrying the pistol to guard expensive jewels worn by his wife at the party.

County offices in the court house will be closed Wednesday in observance of Memorial Day.

#### BIBLE THOUGHT FOR TODAY

Christ liveth in me, and the  
life which I now live in the flesh  
I live in faith. Galatians 2:20.  
Paul lived the most amazing life  
of any mortal. Through his great-  
est moments when he seemed  
lost, he never lost faith, and the  
Christian world is in large part  
the result of his labors. Faith is  
held Paul.

## The DAILY WASHINGTON MERRY-GO-ROUND by BREW PEARSON

BREW PEARSON Says:  
Dulles and Stassen Differ  
Irreconcilably Over Russia; De-  
portation Of Murray Chotiner  
Was Long Delayed; P. B. I. Probe Was Mys-  
teriously Subverted.

WASHINGTON — There's more  
than a little difference of opinion  
between Secretary of State George  
C. Marshall and Assistant Sec-  
retary of State William L. Clayton  
over the deportation of Murray  
Chotiner, a Russian-born lawyer who  
has been in the United States since  
1921.

Clayton, who is in charge of the  
Department's Russian affairs, has  
been insisting that Chotiner be  
deported. But Marshall, who is in  
charge of the Department's general  
affairs, has been insisting that  
Chotiner be allowed to remain in the  
United States.

#### An Obligation to Our Fallen Heroes

Think of this  
next time you're in heavy traffic —  
**No other transmission  
is so smooth as Dynaflow\***

You know how it is.  
Anyone who drives a car these days  
must sometimes drive in crawling, slow-  
moving traffic where it's stop-and-go or  
spurt-and-slow.  
And if you're used to a car that handles  
such traffic with a continuous series of  
upshifts and downshifts—even automati-  
cally—then maybe you think that's the  
best you can have.

But it isn't. You can have Dynaflow  
smoothness in a new Buick—and you  
won't believe the difference until you try  
stop-and-go traffic.

For here you have absolute smoothness  
when you accelerate.

Here you have absolute smoothness when  
you decelerate.

Here you have absolute smoothness  
under every road condition and traffic  
pace—with no lags or bumps to mark  
upshifts and downshifts—because no  
gears ever shift in Dynaflow.

It's the only transmission on the Ameri-  
can scene today where flowing oil does  
the work of gears every step of the way  
—and where smoothness is constant,  
absolute and infinite.

So maybe you ought to sample a new  
Buick with Variable Pitch Dynaflow—  
and try the new thrills that go with this  
smoothness—

The flash-fast new getaway response—  
and new stepped-up gas mileage—when  
you press the pedal barely an inch—

The instant new full-power acceleration

when you floor the pedal and switch the  
pitch for a needed safety-surge—

The walloping new might of the big new  
322-cubic-inch V8 engine that puts the  
finger to it all—

And the new ride, the new handling ease,  
the new interiors, the new bold look of  
racy sweep-ahead styling.

Drop in on us this week—today if you  
can—and see for yourself what straight-  
forward truth we tell you here—and what  
great-buy prices are keeping Buick more  
firmly than ever in the top 3 of America's  
best sellers.

\*New Advanced Variable Pitch Dynaflow is the  
only Dynaflow Buick builds today. It is standard  
on Roadmaster, Super and Century—optional at  
modest extra cost on the Special.

Announcement is being made of the marriage of Miss Henrietta York, daughter of Mrs. Hazel Jones, Waukegan, Ill., formerly of this city, and Harold York, Harrisburg, to Tommy Mikes, son of Mr. and Mrs. Anthony Mikes of Waukegan.

The ceremony was performed April 7 at 11 a. m. in the First Christian church in North Chicago, Ill. The bride was escorted by her brother, Mr. and Mrs. Eugene Stokols, close friends of the couple, were the only attendants.

A reception was held immediately after the ceremony at the American Legion in North Chicago.

The bride is employed as a long distance operator at the Bell Telephone Co. and the bridegroom is with the North Shore Printing Co. in Waukegan.

Mr. and Mrs. Mikes are the daughter of Mrs. Henry Davenport of Harrisburg.

**Crescent Home Bureau Holds Annual Spring Luncheon Meeting**  
The annual spring luncheon of the Crescent Home Bureau was held Saturday at the home of Mrs. James Johnson.

Guests were Mrs. Bernard Feazel, Mrs. Jack Taylor, Mrs. Rae Reinhardt and Mrs. Roy Voss.

A delicious meal of creamed chicken, corn, and other home-made dishes was served on the table to the members and guests seated at small tables decorated with bouquets of spring flowers.

The planning committee was composed of Mrs. James Stinson, Mrs. C. Wayne Brown, Mrs. Frank Jarrell and Mrs. Carl Woodcock.

After the luncheon the guests were entertained with games. The door prize was won by Mrs. Jack Taylor.

### First Baptist Juniors Honored With Banquet

Friday evening the juniors of the First Baptist church who had attended preaching services ten Sundays out of thirteen and their teachers were honored with a banquet in the dining hall of the educational building.

The juniors were completely in charge of the affair, planning the program, refreshments and decorations.

After a delicious meal everyone enjoyed the fellowship of singing songs and special entertainment. A highlight of the evening was the presentation of two booklets to the pastor Rev. R. J. Norman. These booklets contained notes the juniors had taken from his sermons each Sunday.

About forty were present to enjoy the evening.

Mr. and Mrs. Raleigh Smith, East Moline, who formerly lived in Boone county, are visiting their son, Raleigh Smith Jr., and family at Ledford, and their daughter, Mrs. Betty Reeves and family at Carrier Mills. Mr. Smith, a salesman for the Connell Motor Co., Studebaker dealer in East Moline, seeks through Register classifieds to locate a good bird dog while he is here.

Mr. and Mrs. S. M. Farrar returned yesterday from a week's visit with his mother, Mrs. Lydia Farrar at Nashville, Tenn. On Friday they attended the Murray Farm Walking Horse sale at Lewisburg, Tenn.

Mr. and Mrs. Lawrence Logsdon have moved to the house formerly occupied by Mr. and Mrs. Robert Eaton, who have moved to Wallonville.

Mr. and Mrs. M. C. Shell were in Marion Sunday to visit his sister, Mrs. Art Craig, who is ill, and Mr. Craig who was released that day from Holden hospital where he had been a patient due to a heart ailment.

## Woman's Club Breakfast Honors Past Presidents; New Officers Installed

The closing meeting of the Harrisburg Woman's club was a May breakfast honoring past presidents yesterday at 8:30 a. m. in the Fellowship hall of the First Christian church.

Breakfast was served at tables colorfully decorated with greenery, honeysuckles and roses. Large bouquets of spring flowers were placed about the room.

Mrs. F. S. Gray was chairman, assisted by Mrs. F. N. Russler and Mrs. William Biggers.

The president, Mrs. L. E. Kimmel, presided over the meeting which was opened by Mrs. L. I. Webb who gave a lovely meditation using Psalms 118:24.

Mrs. Dan Ludlow, secretary, gave the minutes of the previous meeting and annual reports were given by the following chairmen:

Mrs. Hudson Mugge, treasurer. Mrs. C. C. Porter, historian, who presented a scrapbook of the year's

activities to Mrs. Kimmel, and Mrs. E. Bishop Hill, delegate to the state convention held May 8, 9, 10, at the Hotel Sherman in Chicago.

In a beautiful ceremony Mrs. R. C. Davenport installed the following officers for the new year: Mrs. E. Bishop Hill, president; Mrs. C. E. Wing, first vice; Mrs. Ray Johnson, second vice; Mrs. Louise Walker, recording secretary; Mrs. Dale Sullivan, corresponding secretary; and Mrs. Hudson Mugge, who was re-elected treasurer.

To close the installation service Mrs. Herman Davis sang "My Task."

The past presidents received gifts from the club and also Mrs. J. L. Miller the new 24th district president, was presented a lovely gift.

Mrs. Kimmel presented the president's gavel to Mrs. Hill who in turn gave Mrs. Kimmel the past president's pin.

The next regular meeting of the club will be in September.

Mr. and Mrs. Frank Seten, who arrived from Wichita, Kans., Monday to visit his mother, Mrs. Will Seten, went with Mrs. Seten and his sister, Nell, to Evansville today to visit another sister, Mrs. Rita Seibman, Ridgway, who is a patient in Deaconess hospital.

Mrs. Helen McDonald, Harrisburg, and Willis Pinnell, Eldorado, are visiting their sister, Mrs. Lizzie Karnes, in St. Louis, this week end.

C. S. Perry, employed for many years at Peabody mine No. 47 in Holden hospital, Carbondale, room 111, recuperating from surgery which was performed Saturday.

**Calendar Of Meetings**  
There will be no midweek prayer service Wednesday at the First Methodist church.

There will be a called meeting of the executive committee of the Woman's Society of the Christian Service of the First Methodist church at Wesley Center Thursday, May 31, at 2 p. m.

**To Exhume Bodies Of 3 Slain Boys**  
CHICAGO — The bodies of three boys found slain last October in a suburban forest preserve will be exhumed in a new search for clues to their murderers, State's Atty. John G. Gurnea said today.

Gurnea and the Rev. William E. Eitrig, pastor of Jefferson Park Lutheran Church, announced that parents of the slain youths consented to the exhumation today as a last desperate move to solve the 17-month-old crime.

A date for the exhumation has not been set, they said.

## Hits Prevailing Wage Amendment to Highway Bill

**BULLETIN**  
WASHINGTON — The Senate, with Vice President Richard Nixon casting the tie-breaking vote, today approved an amendment that would give states authority to determine prevailing wages for workers on the proposed interstate network of superhighways.

WASHINGTON — Sen. Thomas A. Wicker (D-DC) charged today that a "prevailing wage" amendment to the highway bill would "back the taxpayers" and "build fewer roads."

Wicker said adoption of the amendment would mean a "loss of from two to four billion dollars worth of money by virtue of increased costs."

Wicker, a freshman senator, made the statements in his first speech before the Senate. He spoke as Senate leaders drove for passage by majority of the biggest road construction program in history, including a 42,000-mile interstate network of superhighways.

Wicker said the prevailing wage provision would not only hurt states but also "disrupt" construction of state roads.

The "prevailing wage" provision would require contractors to pay workers the interstate prevailing wages in the area of the work. The amendment restores the provision in the highway bill which the Senate Committee on Labor and Human Resources passed last July.

## Woman Indicted For Killing Mate

**EFFINGHAM, Ill.** — A grand jury indicted a 33-year-old woman here Monday for the murder of her husband.

The indictment was returned against Mrs. Nancy Lawrence for the killing of her 35-year-old husband, Neale.

Mrs. Lawrence, who was crippled by polio, was arrested shortly after the indictment was returned and she entered a plea of innocent. Her trial was set tentatively for July 9.

Mrs. Lawrence admitted at a coroners inquest that she shot and killed her husband when he returned home drunk on the night of May 13. She said she was afraid he would beat her as he had done in the past.

The couple had two children who are in temporary custody of relatives and family friends.

## Midget Models of Missiles Reach Speeds Of 10,000 Miles Hour

SAN FRANCISCO — Midget models of future intercontinental ballistic missiles have reached speeds of 10,000 miles an hour—the greatest ever achieved by man-made objects.

The National Advisory Committee for Aeronautics revealed the record speed in a cautious outline of progress toward development of missiles that can stand the terrific heat generated when they burst back through the atmosphere en route to target.

Future intercontinental missiles will streak from their launching points into space and re-enter the earth's atmosphere at meteoric speeds, creating temperatures of 20,000 degrees. Preventing them from evaporating is one of the major problems science faces.

## Young Boy Refuses To Give Up Phone For Fire Report

STATESVILLE, N. C. — Authorities searched today for a young boy who refused to give up a telephone party line to a frantic young mother could report a fire that was destroying her home.

"Let it burn," the boy told a neighbor of the woman who also tried to call the fire department.

Mrs. Paul Phillips said her son, Dennis, 8, noticed flames pouring out of the roof of her home as the two left to go shopping. She dashed back into the house to call the fire department but "somebody was on the phone."

"I told him the house was on fire and that I wanted to call the fire department," she said. "But he said 'Are you kidding' and went right on talking." She said the voice seemed to be that of a boy too young for high school.

A neighbor, Hoyie Eller, ran into the house and also tried to call firemen but said the boy told him, "Let it burn."

Damage was estimated at \$15,000. It is a misdemeanor in North Carolina to refuse to relinquish a party line for emergency calls.

## Warm Weather for Most of Nation For Memorial Day

WASHINGTON (AP)—The Weather Bureau said in a special forecast today that "warm weather is expected over most of the nation on Memorial Day."

But it tempered this cheerful news with a forecast of "widespread thundershowers" and "cool weather in the East and Northeast today should give way to rising temperatures" tomorrow, the bureau said.

It is expected to continue rather hot in the Southeast. "Warm humid weather is forecast from New York state to Texas."

Picnic-pooling thundershowers are expected "mostly during the afternoon and evening" in a belt running from the High Sierras in northern California across the Midwest and Great Lakes region to New York.

## IS YOUR HEALTH WORTH IT?

Whether we're willing to pay a price depends on how much we want the thing involved.

We all prize our health highly. Hence, years ago, men paid a heavy price in pain and patience through protracted treatments to regain health. And they probably would have endured even more in the hope their health would return.

That's why your Rx for an effective modern drug is actually worth much more than its dollar price when judged by its value in restoring and safeguarding your health.

## Card of Thanks

SHARP: We wish to take this method of thanking everyone for the good deeds they have done during the recent illness and following the death of our precious wife, mother and grandmother, Mrs. Lizzy Sharp. We especially wish to thank the Rev. J. D. McCarty for his consoling words, all who sent flowers, all who sent food, the Ladies' Bible class of Dorrisville church for serving dinner, the Harrisburg funeral home for their services, Maynard Cannon for the beautiful songs, which bloom had requested, and the neighbors for their kindness. May God bless you all.

## Expected Much...and Got More!

Has it ever happened to you? You expect a new Cadillac...and you get more! The thrill of driving a new Cadillac? Smooth and quiet...eager and responsive...restful and relaxing—it simply has no counterpart on the world's highways.

And how could anyone foreknow the many other pleasures that await him at the wheel? ...the joy of finding that his Cadillac, with all its quality and character, is among the most practical of motor cars to own and operate...and the satisfaction we believe he will find in his relationship with us as his Cadillac dealer...in our honest concern with his motoring well-being.

Why not stop in soon for a personal preview of this wonderful experience?

We think you will be delighted to learn how quickly you can get delivery and to find how much your current car is worth to us in trade.

## Gilmer Succeeds Osborne as Athletic Chairman

SPRINGFIELD — Frank Gilmer, Illinois' new Athletic Commission chairman, said today he hopes to accomplish a "come-back" for boxing among fans, fighters and the general public.

Gilmer, a veteran ring official and former boxer and boxing coach, was named Monday to succeed the late Livingston E. Osborne as Athletic Commission chairman, effective June 1.

The new chairman said he believes boxing is "the cleanest in Illinois or anywhere in the country."

Gilmer, who will be 50 Thursday, is a lawyer and lives at Libertyville. Osborne's term, which he will fill out, expires Jan. 1, 1958. The chairman's salary is \$5,000 a year.

Gilmer is past president of the Illinois Boxing Officials Assn. and has refereed five world championship fights, including the recent Chicago scrap between Johnny Saxton and Carmen Basilio.

He boxed and coached boxing at the University of Virginia and later boxed professionally for a short time.

### Fear Arabs May Copy Mau Mau Terrorist Tactics

ALGERIA (U.P.) — A trusted native servant's effort to murder his French employers created fear here today that Arab guerrillas may plan to copy the savage Mau Mau killers of central Africa.

A cook employed for 12 years by a provincial official in Djidjelli shot him and his wife in the back Monday, seriously wounding both. The Frenchman and other servants overpowered the cook before either victim was killed.

Mutilation murders of Frenchmen in this "overseas province" have been increasingly frequent in recent weeks, but the Djidjelli incident is the first in which the guerrillas are known to have turned a servant against his master.

Authorities here drew a chilling parallel between the new development and the Mau Mau reign of terror in British Kenya, where servants were often forced or persuaded to turn on employers who trusted them.

Meanwhile, sketchy official reports indicated some 75 persons were killed in scattered clashes between French troops and guerrillas Monday.

### Heavy Rains Halt in Flooded Midwest Areas

By United Press

Weathermen gave promise to day of generally warm weather, tempered by showers, for Memorial Day, and rain-soaked Indianapolis welcomed a pause in the drenching rains which had flooded some of its streets.

More than 2,000 central Indiana families were temporarily homeless.

"Warm weather is expected over most of the nation on Memorial Day," said the Washington Weather Bureau in a special forecast.

The shower area was expected to extend from the northern California high Sierras through the Midwest into New England, cover the southern states from the Carolinas and Florida into Texas. Northern border states from Michigan to Washington and parts of the Mid-Atlantic states, as well as the Pacific Coast, were expected to be dry.

Heavy rainfall ceased around Indianapolis, although scattered showers were forecast. Water drained from the infield of the huge Speedway track where officials said Wednesday's 500-mile Memorial Day auto race would be run.

**Streams Are Rising**

Streams at the north and west outskirts of Indianapolis were rising threatening to spill over some roads leading into town. Crop experts at Purdue University said Indiana's heavy rains of the last few days had damaged newly planted corn and soybean crops, although there was time for replanting.

There was no confirmed loss of life in the Indiana floods, although the Marion County sheriff had a report an unidentified man was missing after flood waters swept him from a tractor.

The heavy rains had overspread central Illinois, where three deaths including one in an automobile accident blamed on the rain, were reported.

In Wisconsin, a small tornado caused slight property damage at Readstown Monday night.

**More Flood Threats**

Twenty-one Indianapolis and Marion County schools had closed Monday. All but two Indianapolis schools were reopened today.

Another flood threat brought 168 soldiers to the Nystrom and Port Hill areas of Idaho near the Canadian border. The rampaging Kootenai River threatened to go over dikes in the region.

In Oregon, the Columbia and Willamette rivers hit their biggest heights of the year at Portland, flooding lower level docks and plants.

Rains slackened over much of the sodden Midwest, bringing relief to central Illinois farmers. More than nine inches of rain blocked highways and washed out crops in the fertile region before creeks began falling back into their banks.

The flooding waters of Illinois creeks took two young lives. Patricia Ann Rankin, 14, drowned in Salt Creek near Middletown Monday night, and Jerry Lowe, 12, a Vermilion County farm boy, drowned in a rain-swollen stream close to his home near Rossville. His body was recovered today.

**Five Cairo Men Face Charges After Gambling Raids**

CAIRO, Ill. (U.P.) — Five Cairo men face arraignment next Monday on gambling charges resulting from weekend raids on two nightclubs near Cairo.

Alexander County State's Atty. Michael O'Shea said charges were filed Monday against Otto Moore, Harris, and Robert Lavell in connection with a state police raid on the El Patio Club. Moore and Harris are charged with operating a gambling device and Lavell is charged with possession of a gaming device.

O'Shea said J. D. Bearden is charged with possession of a gaming device and his brother, William, is charged with operating a gambling device. They were arrested in a raid by sheriff's officers at Becky's Club Charming.

J. D. Bearden was fined \$100 and costs last month on a plea of guilty to possession of gambling equipment.

Officers said they found dice games operating at both clubs early Sunday.

**NLRB to Hold Hearing at Du Quoin On Unfair Charges**

DU QUOIN, Ill. (U.P.) — The National Labor Relations Board will hold a hearing at Du Quoin today on a charge of unfair labor practices.

The Du Quoin Packing Co. filed the complaint against the United Packinghouse Workers Union Local 156. The union has been on strike against the company for more than six weeks over a demand for wage increases.

The company charges the local failed to give proper notice of its intent to strike to state labor officials.

The union is asking pay hikes of 23 to 37 cents an hour. The last reported company offer was 15 cents an hour across the board.

**Dear Ruins Shop**

LANSING, Mich. (U.P.) — A deer dashed into a clothing store here Monday, charged its own reflection in two mirrors, smashed the mirrors, caved in a wall, and cut its nose before fleeing the shop.

# Beware Memorial Holiday's Highway Hazards

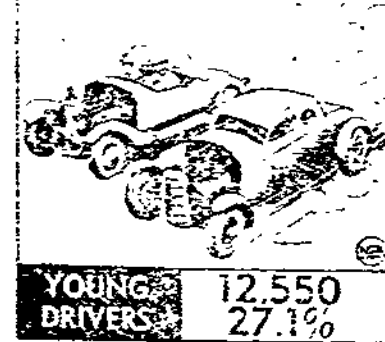

In 1955, 8,130 pedestrians signed their own death warrants by violating traffic safety rules. Most frequent fatal error was jaywalking.

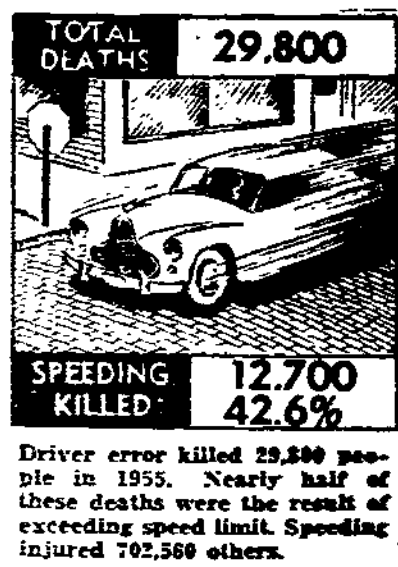

As far as traffic accidents go, perhaps our holiday is the deadliest. The accident curve always rises on holidays. So this Memorial Day, it is the largest single cause of traffic deaths, producing nearly two-fifths of 1955's 37,800 accident fatalities.

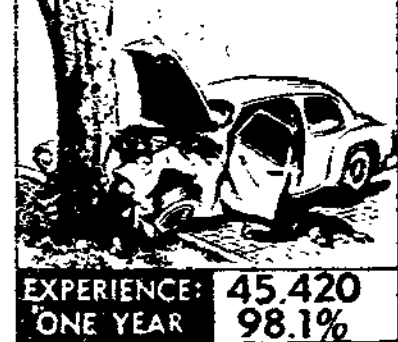

Collision between automobiles is the largest single cause of traffic deaths, producing nearly two-fifths of 1955's 37,800 accident fatalities.

Young drivers, up to 24 years old, caused 12,550 fatalities. But the older group—25-to-54—caused 31,449 deaths—67.9 per cent of the total.

Driver error killed 29,800 people in 1955. Nearly half of these deaths were the result of speeding. Speeding injured 702,589 others.

Inexperienced drivers were responsible for less than 2 per cent of fatalities. Nearly all 1955's death drivers had a year or more experience.

## Desperado Kills Deputy, Technician Helping Blind Man Across Street

TOLEDO, Ohio (U.P.)—A speeding desperado shot a sheriff's deputy to death today and killed an X-ray technician helping a blind man across a street in a wild bid for freedom.

Sheriff's Deputy Ray Westover was shot fatally when he and State Highway Patrolman Robert Newell tried to arrest the gunman and his two companions at a roadblock.

Newell, in an exchange of gunfire with the three Negroes, wounded one of them in the neck. The gunman, leaving his two companions behind, jumped back into his auto after shooting Westover and headed west.

Officers said that when the gunman reached the second roadblock, a police cruiser across the street in front of St. Charles hospital, he lost control of the car.

The car hit and killed Ann Martin, 19, an X-ray technician at the hospital, and critically injured Jay

Francis, 31, a blind man whom Miss Martin was helping across the street. Francis was en route to the hospital where he worked in the X-ray department developing film.

Francis suffered critical back and pelvic injuries. The gunman was arrested at the scene and taken to the hospital for treatment, then taken to jail.

After striking the couple, officers arrested the driver of the auto, identified as John Bouds, 33, Brooklyn, N. Y.

Arrested at the first roadblock and taken to city prison were men who gave their names as Walter Bryant, 32, New York, and Philip Poehl, 24, Philadelphia.

For a long time, people of Europe used tomato plants only as ornaments for gardens. The red fruit was supposed to be poisonous.

## Fascists Gain Control in Italian Elections

ROME (U.P.)—Pro-Western parties lost their full control of Rome and other key cities in Italy today in local elections that reduced Communist strength but left the balance of power at city hall in the hands of the Fascists.

The Christian Democrats repeated an all-out Communist front bid to capture the government of Rome, but the race here and in Milan, Venice and Genoa ended in such a deadlock between leftists and the center parties that the balance of power passed to the Fascists and Monarchists on the extreme right.

The pro-Western Christian Democrats and their allies were victims of their own electoral law. Previously, the party scoring the most votes received two-thirds of the seats on a city council. But the Christian Democrats revised the law so that each party was allotted seats on a percentage basis. This attempt to satisfy the minor parties cost the center group full control.

## Lions Club to Sponsor Two Children to Salvation Army Camp

Members of the Harrisburg Lions club, at their regular meeting Monday night, voted to sponsor two children to the Salvation Army's summer camp for underprivileged children.

The children will be sponsored for a one-week camping period and will be selected by the officers of the local Salvation Army post.

Other action by the Lions included the appointing of a committee to work out details for the construction of a shelter house in the area set aside for a park on the shore on Lake Harrisburg.

The committee—Amos Doorn, Pat Atkinson and L. G. Martin—will determine from city officials where the roadway will be built and select the shelter site in accordance with other city plans for the park.

Money for the shelter construction was raised through a wrestling show promoted in Harrisburg by the Lions late in March.

## Dan Waddell Funeral Today

Funeral services will be held today at 4 p. m. at the Turner funeral home for Dan Waddell, Harrisburg resident who died Sunday night at his home. Rev. Waldo Shelton will officiate and burial will be in Liberty cemetery.

He is survived by a stepdaughter, Mrs. Gertrude Dobrey of Harrisburg, one grandson, Harold Haden, Detroit, Mich., and three nieces, Mrs. Oscar Lands, Equal, Mrs. Otto Cox, Harrisburg, and Mrs. R. L. Bush, Detroit.

The oil and gas industry consumes almost eight per cent of the nation's steel output. It goes into well equipment, pipe lines, refineries, storage tanks and many other items.

## Girl, 14, Drowns While Spearing Fish

MIDDLETOWN, Ill. (U.P.)—Patricia Ann Rankin, 14, drowned in the rain-swollen waters of Salt Creek at Pool Hill near here Monday night.

The girl, daughter of Mr. and Mrs. Offie A. Rankin, New Holland, apparently fell from a bank while hunting with her three brothers for fish to spear.

Patricia is survived by her mother, 4 sisters and 7 brothers.

## Red Cross Disaster Institute At Elks Club Well Attended

The Red Cross Disaster Institute held in Harrisburg at the Elks club recently was well attended. Elmer Duncan, disaster chairman, and Mrs. Sperry Thompson, disaster nurse, were chairman, were pleased with the attendance from Saline county.

Fourteen registered and practical

nurses from Saline county attended the meeting in the morning and 23 volunteers attended in the afternoon. Fifty other volunteers have signed up to help, but were unable to attend.

The purpose of this meeting was to explain the disaster program which, in a disaster involving injured and homeless, would involve setting up emergency hospitals if the capacity of the local hospitals could not meet the need, setting up emergency mass shelters and feeding centers, knowing all available facilities and the number that could be taken care of in case of a disaster.

The local committees will be appointed from the list of volunteers by Mr. Duncan and each committee will set up a plan which will be based on local facilities. The actual disaster plan for Saline county will have to be worked out by the local volunteers who are familiar with the buildings and the stocks carried by the local stores, so that after a quick survey the committee would know what to request from each business.

Miss Rebecca Pond, nursing service field representative from the Midwestern area office of the American National Red Cross, was in charge of the meeting for the nurses, assisted by Bob Kirchner, general field representative from the Midwestern area office. The afternoon session for other volunteers was in charge of Jim Hickey, assistant director of disaster in the Midwestern area.

It was explained at the meeting that if Civil Defense should need the Red Cross Disaster volunteers would be in charge in cases of war-caused disaster. But, in case of natural disaster the Red Cross would be in charge. The responsibilities of government agencies and public health departments were explained and how the Red Cross worked with these agencies in certain functions, such as sanitation, warning, evacuation and rescue, when the help of Red Cross volunteers was needed.

Mr. Duncan feels that with so many volunteers willing to help that a plan can be set up for Saline county which would be ready to function if needed.

Nurses and volunteers from Perry, Jackson, White and Gallatin counties also attended the Disaster Institute.

## Annual Raleigh Field Day Tour Tuesday, June 5

The annual Raleigh Field Day will be held Tuesday, June 5, at 1:30 p. m. at which time all interested persons will tour the experimental plots at the station.

L. B. Miller, professor of soil fertility from the University of Illinois, will be the speaker and lead the discussion as well as conduct a tour of the plots.

All interested persons, or agricultural classes are invited to attend.

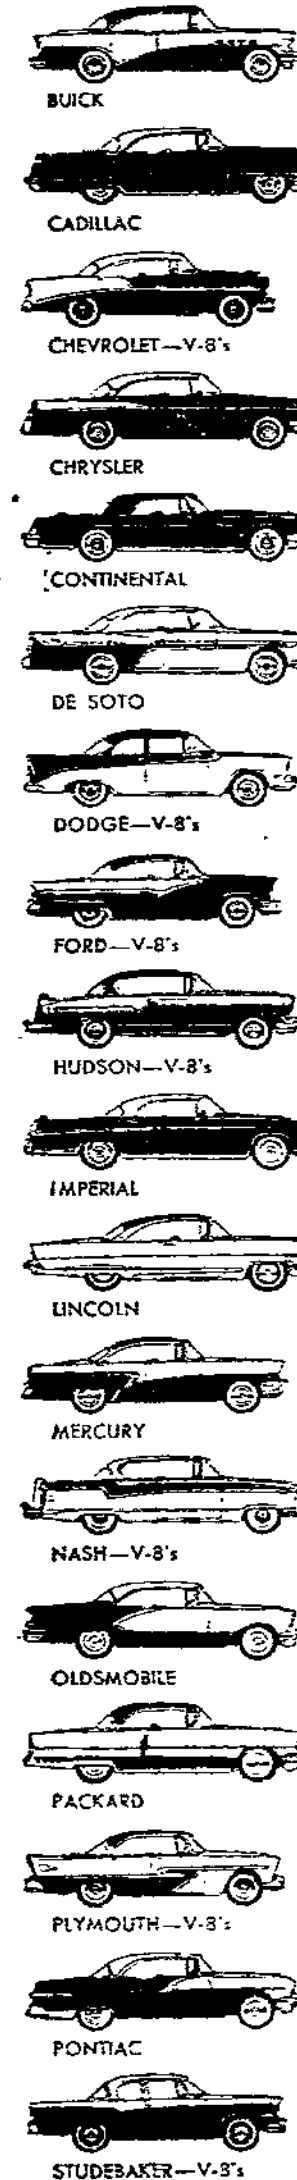

New fertilizers and new varieties will be discussed. The effects of different soil treatments on growing crops and a review of the results of other years of effects on soil treatment will be given.

The pay-off for soil treatments on the Raleigh Experiment Field have been large. Crop yield increases resulting from the use of limestone have been worth \$20 per acre as an average for the past four years; those from phosphate \$9 an acre, and from potash \$8. The crop rotation is corn, spring oats, mixed hay and wheat with a legume catch crop. The soil type at Raleigh is Blufford silt loam.

### Rep. Arends Says Democrats Obstruct GOP on Civil Rights

BLOOMINGTON, Ill. (UP)—Rep. Leslie C. Arends (R-Ill.) charged today that Democrats in Congress have tried to obstruct civil rights bills because they don't want to "face up" to the issue.

Arends, minority whip in the House, said in a speech prepared for delivery at the state Republican convention that Democrats are "just talking about civil rights while obstructing" GOP efforts to "deal with" the problem.

He said Democrats "have sought to block" every proposal coming before Congress that "directly or indirectly deals with civil rights" or with racial segregation.

## President Asks More Funds for Atomic Program

WASHINGTON (UP)—President Eisenhower asked Congress today for a stepped-up nuclear energy program for both peaceful uses and weapons.

The President specifically asked Congress to authorize a program to cost \$1.2 billion dollars during fiscal 1957, which starts July 1.

The White House, in announcing a request for supplemental funds for the Atomic Energy Commission, said some of the money would be used on "design, development, testing and production of weapons and the development of military propulsion reactors."

White House Press Secretary James C. Hagerty said some funds also would be used "on an accelerated program" in the development of civilian atomic power reactors.

He said funds also are being sought for plant acquisition and construction needed to provide additional facilities for the expanded military and civilian reactor program.

The money is required so the

## Recess Ransom Case After Witness Refuses to Testify

ST. LOUIS (UP)—A federal grand jury which reopened the missing Greenleaf ransom money case has recessed until June 11.

The jury's recess followed the refusal of a key witness, John Hager, to testify. Hager, a former Ace Cab Co. driver, tipped police on the whereabouts of Carl Austin Hall, who was later executed for the kidnap-murder of Bobbie Greenleaf of Kansas City.

Hager told authorities he had repeated his story numerous times to grand juries and to federal agents, and that he did not plan to do so again. He pleaded the Fifth Amendment, claiming his testimony might tend to incriminate him.

Hager was the fifth witness to refuse to testify in the current investigation. The first four were upheld by Federal Judge George H. Moore.

United States can take advantage of the "recent technological advances in the military part of the program," Hagerty added.

The administration's original estimate on AEC operating expenses for fiscal 1957 was \$1,672,000,000. The original estimate for plant acquisition and construction was \$144,200,000.

## Father Tells of Abandoning Baby on Doorstep

TERRE HAUTE, Ind. (UP)—A young father told police today he and his wife abandoned their 16-month-old son on a Terre Haute doorstep because everything they did for the child seemed a failure.

Sam Sheldon of St. Louis was held on child abandonment charges.

He drove here from a suburb of Rochester, N. Y., Monday and explained his wife could not come because she is expecting their third child.

Their baby boy has had three major brain operations to correct a "soft spot" on his head caused by a stroller accident, Sheldon told Prosecutor Jack Jett.

He said they left the baby on a doorstep while passing through Terre Haute to Rochester last week because the child remained in poor health and everything they did for him appeared to be wrong.

The baby's arm and shoulder were in a cast when he was found. Sheldon said he and his wife had thought of taking the boy to a Terre Haute orphanage, but found it did not accept medical cases.

Then they decided to leave the baby at an orphanage, he told Jett. But they changed their minds, and left the infant on the doorstep, hoping it was that of a nursing home, he said.

Earlier, Sheldon told authorities that financial troubles forced them to abandon the child. But investigators discovered Sheldon makes \$50 a week at an aircraft factory and is building his own house.

## Thinking It Over

By Robert L. Dieffenbacher, D.D.  
Written for NEA Service

The courts throughout the nation are filled with cases of disagreement. The great majority of disagreements result from misunderstandings, from lack of factual information or from the emotional dramatization of trivial and insignificant incidents.

Frequently an incident is misinterpreted and a thoughtless answer is given. A reply is returned in anger and before long a real quarrel has developed. The original statement is completely forgotten and the related matter becomes serious.

Important differences of opinion are resolved by discussion, by compromise or by arbitration. Little misunderstandings are not faced clearly. They are allowed to grow and take on imaginary significance.

Divorces, petty quarrels and even international wars have been caused by trifles which could have been solved with understanding and a modicum of tact. But the trifles must be faced before they become a pile up.

Many a disagreement would vanish into thin air if we were merely to see the viewpoint of the other person. Both parties involved in a difference of opinion are so limited in their viewpoints that they are not willing to consider any side but their own. They shut their eyes to simple facts.

Religion never teaches us to surrender our moral convictions, but it does require that we rise above self-belligerence and give consideration to others. It does teach us to love instead of hate.

"Let not the sun go down upon your wrath."
